The image shows a 15x15 grid for a word search puzzle. In the top-left corner, there is a photograph of a woman in a black and red life vest riding a blue and black jet ski on the water. The rest of the grid is filled with small black arrows pointing in various directions (up, down, left, right, and diagonally) to indicate where words are hidden. The arrows are placed at the start of the word's path within the grid cells.
