The image shows a crossword puzzle grid. In the top-left corner, there is a photograph of a fisherman wearing a red cap and a tan vest, standing in a body of water and holding a fishing rod. The grid is 15 columns wide and 15 rows high. Black squares are placed at various intersections to define the puzzle's structure. Small black arrows are placed at the beginning of each word's path, indicating the starting cell and the direction of the word (horizontal, vertical, or diagonal).
