

" " - , .

The image shows a crossword puzzle grid. In the top-left corner, there is a photograph of a white flower with yellow centers, likely a Edelweiss. The grid is composed of black and white squares. Small black arrows are placed in the white squares to indicate the starting points for words. The arrows point in the following directions: down, right, left, up, and down. The grid is 12 columns wide and 14 rows high.
