The image shows a crossword puzzle grid. In the top-left corner, there is a photograph of a small, brown and white bird perched on a thin, light-colored branch. The rest of the grid is a 15x15 grid of squares. Some squares are empty, while others contain small black arrows pointing in various directions (up, down, left, right, and diagonally) to indicate the starting point and orientation of words to be placed in the puzzle.
