

" "

The image shows a crossword puzzle grid. On the left side, there is a photograph of a narrow street with buildings and a paved sidewalk. The grid is composed of black and white squares. Some squares contain symbols: a slash (/), a dot (.), or an arrow (L-shaped, T-shaped, or V-shaped) indicating the start and direction of a word. The grid is 12 columns wide and 12 rows high. The photograph occupies the first 4 columns of the first 4 rows. The rest of the grid is empty except for the symbols.
