The image shows a crossword puzzle grid. The top-left corner (rows 1-4, columns 1-4) contains a photograph of two large, golden hay bales in a field under a clear blue sky. The rest of the grid is empty, with small black arrows indicating the starting points and directions for words. The number '40' is placed in the 7th row, 8th column, indicating the start of a 40-letter word.
