The image shows a crossword puzzle grid. In the top-left corner, there is a portrait of a man with glasses and a dark jacket. The grid is composed of white squares and black squares. Some white squares contain symbols: a question mark, a dash, an ellipsis, and a pair of parentheses. Small black arrows are placed in some squares, pointing in the direction of the word to be placed. The grid is 12 columns wide and 14 rows high.
