"

The image shows a crossword puzzle grid. In the top-left corner, there is a photograph of four young men, likely the Beatles, holding comic books. The grid is 12 columns wide and 12 rows high. It contains several symbols indicating the start of words: arrows pointing down, arrows pointing right, and a plus sign. Some cells contain punctuation marks such as hyphens, apostrophes, parentheses, and ellipses. The grid is otherwise empty, intended for the solver to fill in the words.
