The image shows a Red-throated Diver duck swimming in water. The duck has a blue-grey head, a yellow bill with a red tip, and a reddish-brown breast. The crossword puzzle grid is overlaid on the right side of the image. The grid consists of 12 columns and 12 rows. The starting points for the words are indicated by small black arrows: horizontal arrows pointing right and vertical arrows pointing down. The grid is mostly empty, with some faint, illegible text visible in some cells, likely due to the scanning process or the image quality.
