A 3D illustration of a light-colored wooden wardrobe with two full-length mirrors and two drawers at the base is shown in the top-left corner of a grid. The grid consists of 11 columns and 13 rows. A large rectangular area is defined by a thick black border, covering the first four columns from the top-left and extending down to the fourth row. The number "4840" is located in the fifth column of the second row within this area. The remaining grid cells contain small black arrows pointing in various directions (up, down, left, right, and diagonally).
