The image shows a crossword puzzle grid. In the top-left corner, there is a photograph of a woman with voluminous, curly, light-brown hair, smiling. The grid is composed of white squares for letters and black squares for empty space. Small black arrows are placed in the white squares to indicate the starting point and direction of the words. The grid is 12 columns wide and 12 rows high. The photograph occupies the first three columns and the first four rows of the grid.
