The image shows a crossword puzzle grid. On the left side, there is a photograph of a woman with curly brown hair and bangs, wearing a necklace. The grid is composed of black and white squares. Some squares are pre-filled with letters, and arrows indicate the direction of the words. In the middle of the grid, the text "Am Dm" is visible. The grid is 12 columns wide and 14 rows high. The first row has a photo in the first three columns. The second row has a photo in the first three columns and a grid cell with "Am" in the fourth, "Dm" in the fifth, and empty cells in the sixth, seventh, eighth, ninth, and tenth columns. The eleventh row has a photo in the first three columns and a grid cell with "Am" in the fourth, "Dm" in the fifth, and empty cells in the sixth, seventh, eighth, ninth, tenth, and eleventh columns. The twelfth row has a photo in the first three columns and a grid cell with "Am" in the fourth, "Dm" in the fifth, and empty cells in the sixth, seventh, eighth, ninth, tenth, and eleventh columns. The thirteenth row has a photo in the first three columns and a grid cell with "Am" in the fourth, "Dm" in the fifth, and empty cells in the sixth, seventh, eighth, ninth, tenth, and eleventh columns. The fourteenth row has a photo in the first three columns and a grid cell with "Am" in the fourth, "Dm" in the fifth, and empty cells in the sixth, seventh, eighth, ninth, tenth, and eleventh columns.
