The image shows a crossword puzzle grid. In the top-left corner, there is a photograph of a white swan with its wings spread, standing in shallow water near a rocky shore. The grid is composed of black and white squares. Starting arrows are placed in the white squares to indicate the beginning of words. The arrows point in four directions: up, down, left, and right. The grid is 14 columns wide and 14 rows high. The photograph occupies the first 4 columns and the first 4 rows of the grid.
