"

The image shows a grid puzzle. On the left side, there is a photograph of a young girl with long brown hair, wearing a white t-shirt and colorful leggings, lying on her back on a pink mat. She is holding her feet with her hands and looking upwards, performing a yoga pose. The grid is composed of 10 rows and 12 columns. The top-left cell of the grid is occupied by the photograph. The remaining cells contain various symbols: dots, arrows pointing up, down, left, or right, and empty spaces. These symbols indicate the direction and length of the words to be found in the grid.
