The image shows a crossword puzzle grid. The top-left corner of the grid is occupied by a 5x5 photograph of a man with a beard and a mustache. The rest of the grid is a 15x15 grid of squares. Some squares are black, and others are white. Small black arrows are placed in some white squares, pointing in the direction of the word that starts there. The arrows point in four directions: up, down, left, and right. The grid is designed for a word search or crossword puzzle activity.
