

The image shows a crossword puzzle grid. In the top-left corner, there is a photograph of a white sheep. The grid is composed of black and white squares. Some white squares contain letters, and some contain symbols: a dot (.) for a missing letter, a dash (-) for a missing letter, or a small black triangle (▲) pointing in a specific direction (up, down, left, or right) to indicate the start of a word. The grid is 12 columns wide and 12 rows high. The photograph of the sheep occupies the first three columns and the first three rows of the grid.
