The image shows a 10x10 grid for a word search puzzle. The top-left 4x4 area is occupied by a photograph of a pink origami crane on a yellow paper, with other colored papers (pink, green, blue, purple) visible in the background. The remaining 6x6 area of the grid contains a pattern of symbols: dots, dashes, and arrows. These symbols indicate the starting points and directions of words hidden in the grid. For example, a dot in a cell indicates a word starting there, and an arrow shows whether the word goes horizontally, vertically, or diagonally. The symbols are distributed across the grid, with some appearing in pairs or groups to indicate intersecting words.
