The image shows a crossword puzzle grid. In the top-left corner, there is a photograph of a woman with dark hair, wearing a light-colored, possibly sequined, top. The grid is composed of black and white squares. Black squares are used to separate words. Small black arrows are placed in the white squares to indicate the starting point and direction of the words. Some arrows point down, some point right, and some point diagonally. The grid is approximately 12 columns wide and 14 rows high.
