"

A crossword puzzle grid is shown. The grid is 12 columns wide and 14 rows high. Two images of women are placed within the grid. The first image, on the top left, shows a blonde woman in a red dress, with a black circle containing the number '1' in the bottom-left corner of the image. The second image, on the bottom right, shows a blonde woman with a black and white patterned top, with a black circle containing the number '2' in the bottom-right corner of the image. The grid contains several directional arrows: horizontal arrows pointing right and vertical arrows pointing down, indicating the start and direction of words to be placed.
