The image shows a crossword puzzle grid. In the top-left corner, there is a photograph of a man with dark hair, resting his chin on his hand, with a small black square containing the number '1' overlaid on it. In the bottom-right corner, there is a photograph of a man with short brown hair, wearing a dark jacket, with a small black square containing the number '2' overlaid on it. The grid consists of white squares for letters and black squares for empty space. Small black arrows are placed in some white squares to indicate the starting direction for words: horizontal arrows point right, and vertical arrows point down. The grid is approximately 15 columns wide and 15 rows high.
