

" "

A crossword puzzle grid is shown. The top-left corner features a photograph of a tiger, labeled with a black circle containing the number "1". The bottom-right corner features a photograph of a bison standing in water, labeled with a black circle containing the number "2". The grid consists of white squares for letters and black squares for empty space. Some squares contain faint, illegible text. Small black arrows are placed in some squares to indicate the start and direction of words. The grid is 14 columns wide and 14 rows high.
