A crossword puzzle grid is displayed. The grid is 12 columns wide and 18 rows high. The top-left corner contains a photograph of a woman with red hair wearing a pink top and a colorful necklace. A circle with the number '1' is in the top-left cell of the grid. A circle with the number '2' is in the 7th row, 6th column. In the bottom-right corner, there is a portrait of a woman with blonde hair, and a circle with the number '2' is in the 18th row, 11th column. The grid contains various black squares indicating non-letter positions. Some cells have faint, illegible text, possibly bleed-through from the reverse side of the page. Small black triangles are located at the intersections of the grid lines to indicate the starting and ending points of words.
