A crossword puzzle grid is displayed, featuring two image clues. The first clue, located in the top-left corner, shows a slice of tiramisu cake next to a yellow mug of coffee. A black circle with the number '1' is placed in the bottom-left corner of the image. The second clue, located in the bottom-right corner, shows a white bowl filled with vegetable soup, with a spoon and bread nearby. A black circle with the number '2' is placed in the bottom-right corner of the image. The grid itself is a 12x12 square lattice. Some cells are empty, while others contain small black triangles pointing in various directions (up, down, left, right, or diagonally), indicating the start of a word. The numbers '1' and '2' are placed in the starting cells of the words indicated by the images.
