

" "

A crossword puzzle grid is shown. The grid is 12 columns wide and 12 rows high. The top-left corner (rows 1-4, columns 1-4) contains a photograph of white flowers. The bottom-right corner (rows 8-11, columns 10-12) contains a photograph of red berries. The grid contains several starting points for words, indicated by black squares and numbered circles. The numbers are: 1 (top-left), 1 (middle), 2 (left side), and 2 (bottom-right). The grid is otherwise empty.
