"

The image shows a crossword puzzle grid on a white background. The grid is composed of black and white squares. Two scenic photographs are integrated into the grid. The first photograph, located in the top-left corner, depicts a rugged coastline with green cliffs and a blue sea under a sunset sky. A black circle with the number '1' is placed in the bottom-left corner of this image. The second photograph, located in the bottom-right corner, shows a deep fjord with a blue river, green hills, and a wooden cabin. A black circle with the number '2' is placed in the bottom-right corner of this image. The crossword grid contains several starting points for words, indicated by small black arrows: horizontal arrows pointing right and vertical arrows pointing down. Some cells within the grid contain faint, illegible text, possibly representing the puzzle's clues or a watermark.
