"

A crossword puzzle grid is shown. The grid is 12 columns wide and 14 rows high. Two portraits are included: a man with grey hair in a dark sweater on the left, and a man with grey hair in a dark suit and blue tie on the right. The grid contains several starting points for words, indicated by black circles with white numbers. The number '1' is in the top-left corner of the grid and in the middle of the top row. The number '2' is in the middle of the right side of the grid and in the bottom-right corner of the grid. The text 'info.txt' is written in the bottom-left corner of the grid. Arrows indicate the direction of the words: horizontal words start with a right-pointing arrow, and vertical words start with a downward-pointing arrow.
