

" "

The image shows a crossword puzzle grid. In the top-left corner, there is a photograph of an igloo with a small entrance, labeled with a circled '1'. In the bottom-right corner, there is a photograph of a wooden cabin with a snow-covered roof and a warm light from a window, labeled with a circled '2'. The grid consists of 12 columns and 14 rows. Black squares are placed in various positions to define the word slots. The starting points for the words are marked with circled numbers: '1' at the top-right of the grid and '2' at the bottom-right of the grid. Arrows indicate the direction of the words.
