The image shows a 15x15 crossword puzzle grid. In the top-left corner, there is a photograph of a blue sports car (a Porsche Carrera GT) driving on a road. The grid is composed of white squares for letters and black squares for empty space. Small black arrows are placed in the white squares to indicate the starting point and direction of the words. The grid is 15 columns wide and 15 rows high. The top-left cell (row 1, column 1) contains the car image. The grid is mostly empty, with only a few black squares and arrows visible, suggesting a very sparse puzzle.
