The image shows a brown beaver sitting on a rock in a stream. To the right of the beaver is a crossword puzzle grid. The grid is 13 columns wide and 10 rows high. The beaver's body is positioned over the first four columns of the grid. The grid contains several black squares, and small black arrows indicate the starting points and directions for the words to be placed. The arrows point in four directions: up, down, left, and right.
