The image shows a crossword puzzle grid. On the left side, there is a photograph of a beagle dog sitting in a grassy field with autumn leaves, holding a large bone in its mouth. The grid is composed of white squares for letters and black squares for empty space. Small black arrows are placed in the white squares to indicate the starting direction of the words: horizontal arrows point right, vertical arrows point down, and L-shaped arrows indicate the start of a word that can go in either direction.
