The image shows a word search puzzle. On the left side, there is a photograph of a white cockatoo with a yellow crest. To the right of the image is a 12x12 grid. The top-left cell of the grid is occupied by the cockatoo image. The remaining cells are empty, with small black arrows indicating the direction of the words to be found. The arrows point in various directions: horizontally, vertically, and diagonally. The grid is designed for a word search activity.
