The image shows a crossword puzzle grid. In the top-left corner, there is a photograph of a colorful, multi-colored ribbon. The grid is composed of white squares for letters and black squares for empty space. Small black arrows are placed in the white squares to indicate the starting point and direction of the words to be filled in. The grid is 12 columns wide and 14 rows high. The top-left cell (row 1, column 1) contains the ribbon image. The grid is otherwise empty, with only the directional arrows visible.
