The image shows a 10x10 grid puzzle. In the top-left corner of the grid is an image of a white square thermometer with a circular dial. The dial has markings for 0, 50, 100, 150, 200, 250, and 300 degrees Celsius. The needle points to 45. The brand name 'Gentry' is visible at the bottom of the dial.

The grid itself is a 10x10 array of cells. Each cell contains either a pattern of asterisks (*) or a small black arrow pointing in one of the four cardinal directions (up, down, left, right). The patterns of asterisks are arranged to form a hidden word or words. The arrows indicate the direction of the word's orientation.
