

" "

The image shows a 15x15 grid used for a word search puzzle. Each cell in the grid contains either a pattern of dots or an arrow. The dots are arranged in various shapes, often forming the beginning of a word. The arrows point in the four cardinal directions (up, down, left, right), indicating the starting point and direction of a word. A small, square portrait of Al Pacino is placed in the bottom-left corner of the grid, overlapping the first four rows and the first two columns.
