

" "

A crossword puzzle grid with a photograph of a guitarist in the top-left corner. The grid is 13 columns wide and 15 rows high. The photograph shows a guitarist with long hair, wearing a dark shirt and pants, playing an electric guitar on a stage with smoke in the background. The crossword grid is overlaid on the right side of the photograph. The grid contains several empty cells for letters, with small black triangles indicating the start and end of words. The triangles are placed at the intersections of the grid lines, pointing in the direction of the word. For example, a triangle pointing down is at the top of a cell, and a triangle pointing right is at the left side of a cell. The grid is designed for a word search or crossword puzzle.
