

" "

A 15x15 crossword puzzle grid. The top-left corner (rows 1-5, columns 1-5) contains a colorful cartoon illustration of five anthropomorphic bears. The pink bear at the top is holding a sword. The blue bear is in the center, the purple bear is to its left, the yellow bear is at the bottom, and the brown bear is to its right. Small black arrows are placed in the grid to indicate the starting points for words: horizontal arrows point right, and vertical arrows point down.
