The image shows a crossword puzzle grid. On the left side, there is a photograph of a cave interior with colorful lighting (blue, green, red) and a wooden post. The grid is 10 columns wide and 12 rows high. The top-left cell of the grid is occupied by the photograph. The rest of the grid contains symbols indicating the placement of words: slashes (/) for letters, dashes (-) for empty cells, and arrows (L, T, V) for word directions. Some numbers are present, such as '14' in the top row, '1/100' in the 6th row, and '1/' in the 10th row. The symbols are distributed across the grid to define the puzzle's structure.
