The image shows a crossword puzzle grid with a photograph of a brown hen on the left side. The grid is 12 columns wide and 12 rows high. The photograph shows a brown hen with a red comb and wattle, standing in a natural setting. The crossword grid is overlaid on the right side of the photograph. The grid contains various symbols indicating the placement of words: slashes (/) for letters, dashes (-) for empty cells, and arrows for word directions. Some symbols are placed in specific cells, such as a '1' in the top-left cell of the grid, and a 'W' in the bottom-right cell. The grid is partially filled with these symbols, suggesting a word search or crossword puzzle.
