The image shows a word search puzzle on a grid. On the left side, there is a photograph of a jaguar resting on grass. The grid is 10 rows by 10 columns. The top-left cell of the grid is occupied by the jaguar image. The remaining cells contain various symbols and numbers, including slashes, dots, and arrows, which likely represent the starting points and directions of words to be found. The symbols are as follows:

	/	/	↓	/	↓	/	...
