The image shows a crossword puzzle grid. The top-left corner features a photograph of a weather vane with a black cat silhouette perched on top, set against a blue sky and green field. The weather vane also has the letters 'S' and 'W' visible. The grid itself is a 12x12 grid of squares. Some squares contain letters, some contain arrows (pointing up, down, left, or right), and some contain dashes (hyphens) indicating the start of a word. The letters and symbols are scattered throughout the grid, with some appearing in pairs or groups. For example, in the second row, the first three squares contain the letter 'I', and the fourth square contains a right-pointing arrow. In the seventh row, the first square contains a left-pointing arrow, and the second square contains a dash. The grid is designed for a word search or crossword puzzle activity.
