The image shows a 15x15 grid for a word search puzzle. The top-left 4x4 area contains a photograph of yellow lilies. The rest of the grid is empty with small black arrows indicating the starting points and directions for words. The arrows are placed at the intersections of the grid lines, pointing in the direction of the word. The grid is 15 columns wide and 15 rows high. The top-left 4x4 area is occupied by the lily image. The remaining 11x11 area is a grid of empty cells with arrows pointing in various directions (up, down, left, right, and diagonally) to indicate where words can be found.
