The image shows a crossword puzzle grid. In the top-left corner, there is a portrait of a man with a beard and mustache, wearing a dark jacket over a white shirt. The grid is composed of black and white squares. Small black arrows are placed in some of the white squares to indicate the starting point and direction of a word. The arrows point in four directions: up, down, left, and right. The grid is 15 columns wide and 15 rows high. The portrait occupies the first four columns and the first four rows of the grid.
