The image shows a crossword puzzle grid. The top-left corner of the grid is occupied by a photograph of a stone tower with a conical roof, situated in a green field under a cloudy sky. The rest of the grid is a 15x15 grid of squares. Some squares are black, and others are white. Small black arrows are placed in the white squares to indicate the starting point and direction of the words. The arrows point in four directions: up, down, left, and right. The grid is designed for a word search or crossword puzzle activity.
