The image shows a 12x12 grid for a word search puzzle. In the top-left corner, there is a portrait of a Hindu guru with a long white beard, wearing an orange turban and a red robe, with a red tilak on his forehead. The grid contains various letters and directional arrows (up, down, left, right) indicating the start of words. The letters are scattered throughout the grid, and the arrows point in the direction of the word's orientation.
