The image shows a 12x12 grid for a word search puzzle. The top-left 4x4 area contains a photograph of a clear plastic bag filled with colorful, round candies, with several candies spilled out on a light-colored wooden surface. The rest of the grid is empty, with small black arrows in various cells indicating the direction of words to be found. The arrows point in the following directions: down, right, up, left, and diagonally (up-right, up-left, down-right, down-left).
