The image shows a 12x12 grid for a word search puzzle. In the top-left corner, there is a 4x4 inset image of four colorful, glittery pencils (pink, blue, yellow, and purple) lying on a red and white surface. The grid contains the following numbers and symbols:

- Row 1: Column 4 contains "80-".
- Row 5: Column 10 contains "-2170".

Other cells in the grid contain small black symbols, including arrows pointing up, down, left, and right, and small squares, which likely indicate the starting points and directions for words in the puzzle.
