"

The image shows a word search puzzle. The top-left corner features a photograph of a capybara and two of its young pups standing in shallow water. The rest of the page is a 15x15 grid. The top-left 4x4 area of the grid is filled with the image. The remaining cells of the grid contain small black arrows pointing in various directions (up, down, left, right, and diagonally) to indicate the starting points and directions for finding words.
