The crossword puzzle grid consists of 14 rows and 14 columns. The starting cell (row 1, column 1) contains a photograph of a tropical beach with turquoise water and a white sand beach, with a small boat. A black circle with the number '1' is in the bottom-left corner of this image. The starting cell (row 13, column 13) contains a photograph of a vibrant coral reef with many colorful fish. A black circle with the number '2' is in the bottom-right corner of this image. Clues are provided in the grid cells: a question mark '?' is in row 2, column 2; the number '2' is in row 3, column 2; the text 'U.F.O.' is in row 13, column 2. Small black arrows indicate the direction of the words: down arrows for vertical words and right arrows for horizontal words.
