"

A crossword puzzle grid is shown. The grid is 15 columns wide and 15 rows high. The top-left corner (rows 1-4, columns 1-4) contains a photograph of a red tiled roof. The bottom-right corner (rows 11-15, columns 11-15) contains a photograph of three Gothic spires. The grid contains two starting points for words, each marked with a circled number: '1' is located at row 3, column 1 and row 3, column 11; '2' is located at row 5, column 7 and row 11, column 15. Arrows indicate the direction of the words: horizontal words start with a right-pointing arrow, and vertical words start with a down-pointing arrow.
