"

A crossword puzzle grid is shown. The grid is 15 columns wide and 15 rows high. Two images are placed within the grid:

- Image 1:** Located in the top-left corner, showing an outdoor patio with a wooden fence, a table, and chairs. A black circle with the number '1' is in the bottom-left corner of this image.
- Image 2:** Located in the bottom-right corner, showing a stone building with a tiled roof and a tree. A black circle with the number '2' is in the bottom-right corner of this image.

Numbered starting points for words are marked with black circles containing the number '1' or '2'. Arrows indicate the direction of the words. The grid is otherwise empty.
